LAVAGE DES TISSUS :

ESSORAGE :

COLORIS ROUGES :

Si 2 tissus à retraits différents sont utilisés ensemble, nettoyage à sec indispensable.

Tissus 100% lin, métis, écrus "matières naturelles" sont sujets à des variations de nuance. La couleur "passe" au fur et à mesure des lavages et du temps.

(1) le retrait signalé est un retrait moyen en chaîne (sens longueur), le retrait en trame (sens largeur) pouvant être considéré comme négligeable, sauf observations particulières.
